Her Best Friend's Sister.

At twelve years old, Claire Barker developed a massive crush on her best friend Sarah's older sister—the handsome, butch Alex Williams. Now twenty-seven and a successful entrepreneur, Claire's interest hasn't waned—despite Alex's fashion photography career keeping her overseas for months at a time. When Alex moves home unexpectedly, she and Claire end up enjoying a surprise, wine-fueled reunion that alters their relationship forever.

Are Claire's dreams about to come true, or will real life prove to be more complicated than her fantasies?

Praise for Meghan O'Brien.

"Romance is on fast forward at Camp Rewind. This is a quick, satisfying read for those longing for the nostalgia of a summer camp romance."—Publishers Weekly.

"Camp Rewind, Meghan O'Brien's latest offering, has the sexiness we've come to expect in her fiction, with more of a contemporary romance feel. The sex is hot and varied, as expected, with the overt, enthusiastic consent that is rarely seen elsewhere. More time is spent than usual on just making out, and wow, does that ever pay off when they hit the sheets (or the sleeping bag)."—Curve Magazine.

Her Best Friend's Sister by Meghan O'Brien.

The following week was a stressful one, largely because Claire barely spent any time with Alex. Or, at least, very few of her waking hours. Eager to prove to Sarah that Alex wasn't the worst thing to ever happen to her in any way, Claire threw herself into her work, even putting in over a dozen of the extra hours she'd long gifted to the company in lieu of having a personal life. She still slept at Alex's place, and they'd even managed to have sex once, late Tuesday night, but after Claire realized how tired she was the next morning at the office, she declared a moratorium on intimate encounters until the weekend to give herself a chance to catch up on her many lapsed responsibilities.

By the time Saturday rolled around, Claire was both ready and eager for a long, uninterrupted day with the woman she loved. Sarah and Marcus were visiting the redwoods with out-of-town friends, so spending time together was a blissfully guilt-free decision, making it far easier for Claire to relax and enjoy a much-needed reunion with Alex. Though they'd been able to finish their conversation about Vanessa—concluding that she was an unambiguously awful human being that neither one of them ever wanted to see again—they still hadn't had a real opportunity to reestablish the easy intimacy they'd settled into before Vanessa's reappearance and Claire's forgotten meeting had disrupted the sanctity of the perfect little bubble

theyâd retreated inside while falling in love.

When Claire awoke on Saturday morning, she craned to look out the curtained window of her apartment to discover an already vibrant blue sky. Rolling to face her still-slumbering big spoon, Claire grinned at the sight of her lover wrapped in the quilt her parents had given her as a high school graduation gift, to keep her warm at college. When Alex had insisted they spend Friday night at Claireâs place so Sarah would be less likely to interrupt any drowsy lovemaking they might be able to achieve, Claire had initially balked at the slightly longer commute, but now she had to admit that it was nice to wake up and see naked Alex Williams in her bed.

Like she belonged there.

Alex opened her eyes and returned Claireâs grin. In a scratchy voice, she rasped, âHey. Good morning.â

âGood morning.â Claire lifted the comforter so she could slide her naked body against Alexâs. Their limbs entwined naturally as they settled into the most comfortable cuddling position Claire had ever achieved. âOh, that feels good.â

Alex tightened her arms, kissing Claireâs hair. âIt really, really does.â

Neither of them rushed to initiate anything more intense than the tender embrace. For a few minutes, they simply lay chest-to-chest, Claire focusing on Alexâs heartbeat while wondering whether Alex was similarly fascinated by the rhythm of hers. Then Alexâs hands found her shoulders and stroked gently down her back, landing on her ass with a flirtatious caress. Claire drew back to meet Alexâs eyes. Without speaking, she snaked her hand between their bodies and cupped Alexâs vulva provocatively.

Об авторе (2017)

Born in a suburb of Detroit, Michigan, Meghan O'Brien relocated to Windsor, California, in October 2005. As a recent transplant, she's enjoying the moderate weather and gorgeous scenery of the Bay Area. Meghan lives with her partner Angie, their young son, three cats, and three dogs. Yes, it can be just as chaotic as it sounds.

Meghan works as a Web developer for a major corporation, but her real passion is writing. From her humble beginnings creating numerous "books" out of construction paper and crayons as soon as she learned to write, to her published novels and various anthology contributions in the past several years, writing is what makes her feel most complete.
